Machine may automatically deactivate or reclaim unauthorized Built-
IBM License Agreement for Machine Code
You accept the terms of this IBM License Agreement for Machine Code ("Agreement") by your initial use of a Machine that contains Machine Code.
The term "Machine Code" means microcode, basic input/output system code (called "BIOS"), utility programs,
Some third party code ("Separately Licensed Code") is provided to you under
specific terms of different license agreements. Such license agreements and
any notices or information associated with them may be found in a README
titled "/opt/hsc/data/browser/en_US/hsc_license_readme.html". Future update
or fixpacks may also contain such code components. Your use of each listed
third party component is subject solely to the terms and conditions of such oth
license agreement. By using or not uninstalling such third party code you
acknowledge and agree to all such license agreements, notices and informatio
including those provided only in the English language. IBM provides the
Separately Licensed Code on an "AS IS" basis. IBM AND THIRD PARTIES
DISCLAIM ANY AND ALL EXPRESS AND IMPLIED WARRANTIES AND
CONDITIONS.
Usage of the Hardware Management Console is subject to the terms and conditions of the following license agreement.
